### Property Information

Found Valencia presents a fabulous and very spacious apartment, on the second line of Puzol beach with sea views from the terrace, in a quiet yet prime beach area.

The building itself is quiet and in a good location. There is parking, a pool, elevators, and showers at the entrances in order to shower off any sand before entering the property. A range of well-known and popular restaurants are located very close to this building and which are open all year round.

This is a first floor property, rectangular in shape. On entering the apartment, there is a full bathroom with bathtub on the left. Next we find a magnificent double bedroom with bathroom including a shower. There are also double built in wardrobes with sliding doors, hanging bars, shelves, and chest of drawers. There is a second double bedroom, with the same type of wardrobes. A large open plan living and dining room with a very good size kitchen with fitted cupboards, integrated washing machine and dishwasher completes this space. This area also has a large bar and there is access to a wonderful large terrace which can fit a table to seat up to 12 people. It therefore functions perfectly as an outdoor dining or living space.

The apartment is equipped with air conditioning, blinds, blue aluminium windows, an electric water heater, ceramic tile floors, and appliances. There is also a garage and storage room.
